

Kwistetpetanque

The image shows a top-down view of a lush green grassy field. Two highly reflective, metallic spheres are positioned in the upper right quadrant. They are arranged in a line, with the second sphere slightly behind and to the right of the first. A bright highlight is visible on the upper left of the first sphere. To the left of the first sphere, there is a distinct red circular mark on the grass. The text 'RONDE 1' is written in a white, stylized, cursive font at the bottom left of the image.

Tussenronde

The image shows a top-down view of a green grassy field. Two highly reflective, metallic spheres are positioned on the right side. They are spherical and have a grid-like structure of thin lines across their surface. The spheres are highly reflective, showing a bright white highlight and a reflection of the surrounding environment. To the left of the spheres, there is a distinct red circular mark on the grass. The text 'RONDE 5' is written in a white, stylized, cursive font at the bottom of the image.

RONDE 5

A grassy field with two large silver reflective spheres and a smaller red sphere. The silver spheres are positioned in the upper right quadrant, and the red sphere is in the center. The grass is green and textured.
